*Explore Brickhouse Vineyard,  
one of Devon's undiscovered secrets*

# THE FIRST CHAPTER

## *Our Story.*

Brickhouse Vineyard is more than just a business - it's our cherished family home and lifelong passion. We are Joanna and Matt, the proud owners, and we are excited to welcome you to our charming wedding venue filled with love and dedication.

In 2015, we left our corporate lives in London to pursue our dream of creating something truly unique in Devon. What started as a mere vision blossomed into sketches on notepads and amidst the chaos of planning and construction, we brought Brickhouse Vineyard to life. The Grade II\* listed house, the Threshing Barn, the picturesque Round House, and the vineyard have been lovingly transformed into the enchanting haven that stands today.

Join us at Brickhouse Vineyard to celebrate, to feast, to rejoice, and above all, to love! Your love story begins here...

## THE TEAM

*The people who make it happen.*

While the beauty of Brickhouse Vineyard speaks for itself, it's the team that really make the magic happen. As a family run business, we pride ourselves in having a tight-knit team at the helm, so that your wedding day runs without a hitch.

We got married at Brickhouse Vineyard in June 2022. It was truly the most magical day, and everything we hoped for and more...

Everyone at Brickhouse was so accommodating and helpful in the run up to our big day.

The day itself was perfect and ran so smoothly! The venue is absolutely stunning, and the gorgeous natural surroundings provided us with the most beautiful backdrop for our wedding photos.

Our wedding was very boho in theme and the whole setting was just so dreamy. We would happily relive our wedding day over and over again...even our two young children loved it so much they asked us 'when can mummy and daddy get married again?' All our family and friends who attended said how amazing and perfect everything was.

Sending a massive thank you to Brickhouse Vineyard. 100% recommend as a destination to get married...

Huge thank you to the team at Brickhouse Vineyard, especially Elley for helping to make our wedding so perfect!

Elley was so helpful and supportive on the day, she really made an effort to check in on us throughout the whole day. We were very grateful for all her efforts! The venue itself is uniquely gorgeous with so many phenomenal locations for photos. It rained for us, but this did not impact on our day in the slightest, and we eagerly ventured into the vineyard for some glittering shots. The service on the day was great and all our guests noticed how professional and attentive the staff were.

We honestly could not have wished for a better experience, and without a doubt would recommend Brickhouse Vineyard to any future couples (especially if you want your dog to join!)
